

ABOUT US

Family-owned and based in Huntsville (and now Dallas), Texas, Lee Brothers Construction brings more than 100 years of collective experience to custom homes and residential remodeling.

With hundreds of completed projects, we take pride in both the homes we build and the relationships we form. Our approach combines quality materials, attention to detail, and personal attention to each client's goals.

From design and planning through construction and finishing, we help turn your ideas into a home shaped around your style and needs.

Experience.

Craftsmanship.

Personal attention.

MEET OUR TEAM

Co-Founder, Ryan Lee brings a thoughtful approach to each project, working with our team to convey our clients' goals. His passion is to create spaces that homeowners can't wait to drive home to.

His interests have always been in woodworking, not just construction. His projects have included a 'skoolie' with his brother and a Montessori-style crib for his niece.

He enjoys hunting on his grandfather's farm in his spare time, but finds the design and delivery of new-home dreams to our customers most fulfilling.

MEET OUR TEAM

With every build, there is a touch from our senior-most leader and training professional, Russell Lee Jr. He helped build the traditions and instilled the culture in his sons who operate Lee Brothers Construction today.

No detail is missed or corner cut when Mr. Russell's sharp eyes are on the job. He believes in fairness and quality and has spent his life serving the community.

We salute him and are proud of his leadership. Decades of experience, and still building!

MEET OUR TEAM

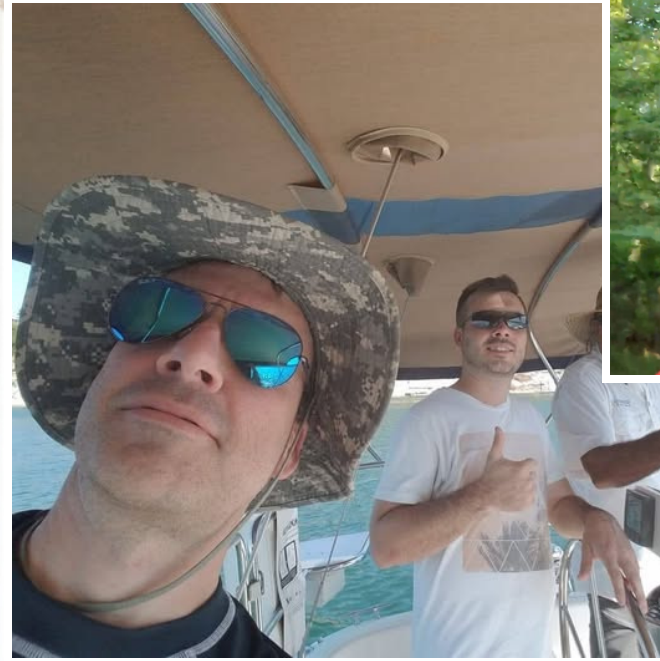

Co-founder, Richard Lee, began this business with the goal of filling a need in the construction industry; high quality building practices and attention to detail.

"We are constantly seeking ways to improve our methods and introduce more efficient practices to get better every day. We always want to remember where we came from, quality results and customer service".

These qualities are what led Lee Brothers Construction to receive NAHB Remodeler of the Month. He enjoys being outdoors, sailing, and cycling as far as his legs will take him.

MEET OUR TEAM

Russell Lee joined LBC in 2021 after much coaxing from his brothers. He is the proud father of 3 daughters and 1 son. His son now performs drafting and design for our company.

Russell comes from a background in insurance, which blends well with our core philosophy of serving our clients to the best of our ability. He enjoys meeting with our clients to discuss their home building goals and turning those ideas into reality.

In his spare time he travels with the family and works on the farm.

MEET OUR TEAM

Gary Gressett is LBC's lead superintendent. With over 30 years of experience in both residential and commercial construction, Gary has literally seen it all. His knowledge and expertise is invaluable to our company.

Like all of us, he wants what is best for our clients, and he will do whatever it takes to make sure the job is done right from the beginning. His attention to detail is one of his greatest strengths.

After hours, Gary enjoys raising his horses and working around his property.
